Product Lines

**100**

MOQ (pcs)

Founded over two decades ago, Jinze specializes in OEM and ODM manufacturing of premium bags for global buyers.

Our three production bases — located in Baigou (Hebei), Handan (Hebei), and Zhoukou (Henan) — operate with modern equipment and experienced craftsmen to deliver consistent quality across all price tiers.

We serve mid-to-high-end brands worldwide, offering women's bags, men's bags, travel bags, and backpacks. Starting 2027, we will expand our lineup with hardshell and softshell luggage, creating a complete travel accessory ecosystem for our partners.

# OEM / ODM SERVICES

Custom manufacturing tailored to your brand

## OEM Manufacturing

Produce bags to your exact specifications. Provide your design files, tech packs, or samples, and we handle the rest — from material sourcing to finished product.

## ODM Design & Dev

No design team? No problem. Share your concept, reference images, or trend direction, and our design team will develop samples for you. Fast turnaround, flexible MOQs.

## Private Label

Add your brand label, logo, hardware, or custom linings. Full customisation available on materials, colours, zippers, and packaging.

## Quality Assurance

Every production run goes through multi-stage QC: material inspection, in-process checks, and final pre-shipment inspection to meet international standards.

## Packaging & Logistics

Custom packaging design available. We coordinate with freight forwarders for sea, air, and express delivery to any global destination.

## Low MOQ & Sampling

Sampling available before bulk orders. MOQ starts at 100 pcs per style, making it accessible for boutique brands and emerging retailers.

# PRODUCT CATEGORIES

31 styles across 4 core collections

## Travel Bags

Product Information

Brand: #	#	Model: #	#
Material:	Anti-splashing skin film	Weight:	1.23kg
Size:	31 cm*17cm*44cm	Capacity:	Can hold a 17-inch laptop
Type:	Single shoulder / double shoulder-carry / slung	Shoulder strap:	Adjustable

**Notes:**  
 Due to different measurement methods, an error of 1-3 cm is normal, please refer to the actual product. The lighting during shooting differs from that on monitors, so there may be slight color differences—please understand!

Shoulder straps can be taken in many ways.

The backpack is equipped with a single shoulder strap; after storing the dual-shoulder strap, hang the strap on both D-rings at the sides of the backpack for single-shoulder crossbody use.

After the shoulder strap is dismantled, three steps to carry.

Note: When used normally as a backpack, items can be placed in the rear pocket.

# MATERIALS & CRAFTSMANSHIP

Premium fabrics, hardware, and finishes across every price tier

## Oxford Fabric

600D–1680D woven polyester; durable, water-resistant; ideal for travel and men's bags.

## Nylon

Lightweight, high-tensile fabric; excellent for backpacks and casual bags.

## Canvas

Heavy-duty cotton-poly blend; classic look, breathable; versatile for travel and leisure.

## PU Leather

Vegan-friendly faux leather; smooth finish, wide colour range; women's and fashion bags.

## Water-Repellent PU

Coated PU with hydrophobic treatment; ideal for men's business bags and all-weather use.

## Nylon + Polyester Lining

Interior polyester linings improve structure and protect contents in backpack styles.
